| ElevenLabs | <p>Best Project Built with ElevenLabs. Open to all hackers. Judging considers agentic depth, lifelike and responsive interaction, creative ElevenLabs API integration, and novelty in solving a real-world problem.</p> <p>Hacker guide:<br/><a href="https://docs.google.com/document/d/1mCh5MtOzBw0aJpurOVUmIVFfPMAHW3MjNemE-LNiMto/edit?usp=sharing">https://docs.google.com/document/d/1mCh5MtOzBw0aJpurOVUmIVFfPMAHW3MjNemE-LNiMto/edit?usp=sharing</a></p>                                                                               | Each winning team member: 6 months Scale tier; \$1,794 value and 1.8M credits/month.                                                                  |
| Auctor AI  | From Conversation to Action – turn ideas and information into action: solve a problem, support a decision, create something, or save tedious work.                                                                                                                                                                                                                                                                                                                                                                                             | Auctor merch for 1st, 2nd and 3rd place.                                                                                                              |
| SpaceXAI   | <p>Make it Legendary</p> <p>Space gives you more to work with than almost any other field. You have access to enormous public datasets, decades of missions, and a literature no human can read all of. Real space data goes in and a legendary project comes out.</p> <p>To be eligible, your project must be built with Cursor. The more you use Cursor, the more likely you are to win. You must also use the Grok Imagine or Voice API in your project. Bonus points, if you use Grok Bot for project planning and team collaboration.</p> | <p>4 Cursor keyboards planned for closing ceremony</p> <p>Anyone who submits to our challenge will be entered to win a Cursor Owala water bottle.</p> |
